## Settlement of Key Property Purchases at Julimar

Chalice Mining Limited ("Chalice" or "the Company", ASX: CHN | OTCQB: CGMLF) advises that further to the announcement dated 19 April 2021, settlement of the acquisition of three key private properties at its 100% owned **Julimar-Nickel-Copper-PGE Project** in Western Australia occurred today.

The three properties were acquired for consideration comprising \$7.75 million in cash and 1,033,294 ordinary fully paid Chalice shares.

The completion of this land acquisition is an important milestone for the Julimar Project as it provides access to all of the current known mineralisation at the Gonneville intrusion, the geological host to Chalice's major PGE-Ni-Cu-Co-AU discovery.
