Marla and Oodnadatta Project Update

Chalice Gold Mines Limited (ASX: CHN) advises that, following a review of results from the recent exploration program at the Marla and Oodnadatta Project, Chalice has withdrawn from the farm-in joint venture with Uranium Equities Limited without earning an interest in the projects.

A handwritten signature in blue ink, appearing to read "Bill Bent", is positioned above the printed name.

BILL BENT
Managing Director
