

ASX ANNOUNCEMENT

10 NOVEMBER 2017

## APPOINTMENT OF GENERAL MANAGER- CORPORATE DEVELOPMENT

Chalice Gold Mines Limited (“Chalice” or “the Company”) (ASX: CHN) (TSX: CXN) is pleased to announce the appointment of Mr Alex Dorsch as General Manager- Corporate Development effective immediately. Mr Dorsch joins Chalice from the leading global management consultancy McKinsey and Company, where he advised a number of multinational companies on strategy, performance improvement, innovation and business development. Mr Dorsch has a unique mix of experience and skills in engineering and project management, complemented by a strong business acumen. He has demonstrated a track record of success in consulting, engineering and corporate advisory roles in the energy and resources sector, predominantly in exploration and development projects, corporate strategy and business development.

Chalice Managing Director, Tim Goyder states *“We are very pleased to have Alex join the Chalice executive management team. His unique mix of skills and extensive experience in corporate strategy and project development strongly align with our corporate growth objectives and further strengthen our capabilities.”*

The Board would like to welcome Mr Dorsch to the Company.

A handwritten signature in blue ink, appearing to read "Tim Goyder", with a stylized flourish at the end.

TIM GOYDER  
MANAGING DIRECTOR
